Indian Constitution was enacted on 26th of January 1950 and it was a result of constituent assembly.

The Elements taken from U.S Constitution are:

- 1) Fundamental Rights which are justiciable in nature and negative in nature towards the state.
- 2) Preamble which is the soul of constitution. It summarises the basic nature of state.
- 3) Independence of Judiciary and Judicial review which keeps judiciary separate as well as empowers citizens to take writs under 32 and 226 Articles.
- 4) President as the supreme commander while post of vice president as ex officio chairman of Rajya Sabha.
- 5) Removal procedure of supreme court & high court judges.

The U.S. Constitution has provided the above features ~~which~~ out of which some forms the basic structure of ~~our~~ constitution. E;
