Police Comm. System & M.P (25W)

Recently Madhya Pradesh (M.P.) government has adopted the commissionerate police system in two of the major cities (Indore and Bhopal)

⊙ Generally this system is anticipated to be more effective in those cities where population has exceeded 10 lakhs.

⊙ The new commissionerate police system has provide the commissioner with magisterial powers.

⊙ Powers of the police has been increased, various acts like Poison act 1919, Prisoner act 1900, etc and power of ~~and~~ licencing of ammunition has come under the ambit of police

⊙ Commissioner → ADG rank officer
 Additional Commissioner (2) → IG rank
 Deputy Commissioner for different zones → S.P

• This system can provide us with better law and order as the authorities (legal powers) have been increased.

Whereas on other hand it gives police immense power and the narrative of "POLICE RAJ" is lightened more.

◉ oftently there are cases of blame on police for human rights violation, so if an effective check ^{act} could be established on the overreach and proactive role the commission ^{role} system could see a step in right direction

Established since 1990
