

Q Impact of Constⁿ of USA on Indian constⁿ.
 The idea of forming Indian constitution was taken from USA as it was the first country to formulate its own constitution.

Our constitution has taken different provision from different countries

Impact of USA constⁿ

- ① Fundamental Rights :- idea of forming fundamental rights was taken from USA.
- ② Judicial Independence :- Our constitution ensure judicial independence. legislative and executive have ~~no~~ rights cannot influence judicial activity.
- ③ Judicial Review :- Court have right to review its own decision.
- ④ President is the Supreme command of Army, Navy and Air Force.
- ⑤ vice president will be ex-officio chairman of Rajya Sabha.
- ⑥ judges of Supreme court & high court can be removed.

As our founding fathers had a vision of forming best constⁿ.
 Therefore Indian constitution ^{is formed} by taking positive points of other country's constitution.
