Critically analyse the role of CBI in the investigation related with high level Crimes. 150 words

The Central Bureau of Investigation is a police agency that comes under Ministry of Personnel, Public Grievance and Pension.

Role of CBI :

CBI deals with serious and Complex Crimes.

CBI deals with political and Corruption cases.

CBI collaborates with various International agencies such as Interpol to maintain Law & Order.

Criticism :-

① Delayed Investigation - Deliberately

Delayed Investigations.

(2) Political Influence - Political Powers influences the investigation ✓

(3) CBI inside, CBI outside books tells the ^{story of} nepotism, corruption and favouritism. ✓

(4) 2G scam, Coal Gate scam and are the example of CBI's delayed investigation. ✓

(5) Sometimes CBI's investigation were so slow that it led to non prosecution. ✓

Conclusion :-

CBI is the nodal agency which ensure the & maintains the law and order but there is need of the reformation and breakage from Political influence to create a better Investigation Unit
