cheque (200 words).

Cripps mission. 1942

Overview.

This mission started in 1942
with an objective of agreeing

congress for the Indian participation
in World War II.

- offers given by Britishers for to
make Indians join this mission.

(i) The Britishers offered
earliest realization of MA
self government established since: 1990

(ii) They offer to give dominion
status as it was given to
other colonies.

(iii) A constitutional body was to
be established.

And some other offers were

cripps mission - "A post dated cheque".

- mahatma gandhi

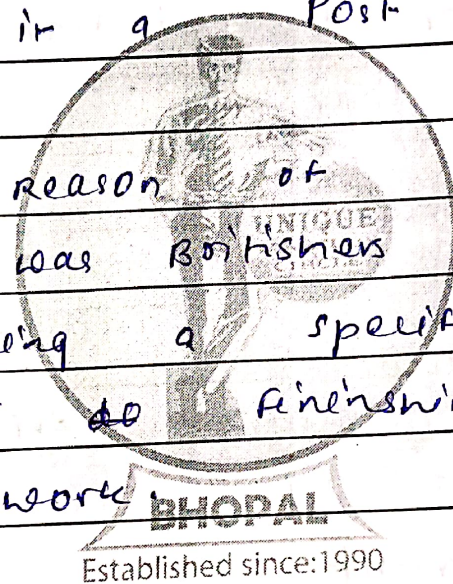

The cripps mission was much less than the expectations of congress. & gandhiji. He

termed it a post dated cheque.

The reason of his statement was Britishers were

not deciding a specific time limit for finishing the

promised work

soon, the cripps mission was rejected the offers made

by Britishers. & it further led to the Quit India

movement.
