What is the impact of the constitution of USA on Indian constitution? UPSC-100W

Ans -

The constitution of USA was the first written constitution in the world and the chief aim of the constitution as drafted by the convention was to create a government with enough power to act on a national level.

* The impacts of the constitution of USA on Indian constitution are:

- (A) The fundamental Rights - the fundamental rights are being derived from the constitution of US.
- (B) Impeachment of the President.
- (C) The Preamble
- (D) Functions of President and vice president.
- (E) Removal of supreme court and high court judges.
- (F) Judiciary system
- (G) Judicial review
- (H) Written constitution.
- (I) Executive head of state - President and him being the supreme commander of armed forces.

Thus, the constitution of USA served as a model to frame certain important features of the Indian constitution.
