“One Nation One Ration card scheme addresses certain lacunae of PDS” Analyze

⇒ PDS is a Indian Food security system established by Ministry of Food, Consumer affairs, Public distribution to provide Food grains to the poor at subsidized rates.

“One Nation One Ration Card” scheme came into action on June 1, 2020 which covers Migrants & daily Wagers & Eligible beneficiaries who can avail the Food grains through Ration Card.

This new scheme addressed some major issues related with PDS they are →

★ Earlier there was a problem of geographical hindrance A Migrant has to apply for new ration card if he/she shifts to another location.

★ There was a problem of Duplication of Ration Card under PDS but now through this scheme person will able to link Aadhar Card with ration Card.

★

ONORC also drastically reduced the Corruption & Malpractices which were in PDS

★

ONORC is an electronic way which will remove the unfair Ration card holders who are not falling in Poverty line.

★

ONORC through FPS (Fair price shop) will allow people to acquire good quality of food grains which was not there in PDS

★

Nearly there are 37% of labourers that are Migrants who were not able to avail any benefit from it but now they can avail it under this scheme

Way forward →

One nation one ration card is a far-reaching reform which will benefit our labour, migrant class of society through improvement in quality and nutritious value India can achieve a higher place in global hunger index (WHO)

Excellent!
