

Q.- What is Insurgency? What are the Linkages b/w insurgency and development? Explain the measures taken by the govt. to check Insurgency in India. (150W)

Armed Rebellion against the present Authorities of a Nation in order to fulfill an Objective is termed as Insurgency. It is only confined to that particular nation.

Linkages b/w Insurgency & Development :-

1. It is usually seen in areas ridden with Social conflicts b/w 2 different tribes/Castes etc.
2. Prevalent in areas with hard to reach areas / areas lacking good connectivity.
3. Places where govt. has failed to efficiently penetrate it's. socio-economic welfare schemes.
4. Low connectivity with Central Govt.
5. Lack of Education & Employment.
6. Vast Social differences b/w two or more groups.

Measures taken by Govt. of India to Counter Insurgency in North East India :-

Enacting AFSPA Armed forces Special Powers Act 1958. to counter Insurgent groups.

to Act East Policy for better connectivity with NE states.

Promoting Niche Tourism like Medical-Tourism, Education Tourism etc.

Formation of Ministry of DONER.

Insurgency in India had engulfed our North East states during the 1950's. However with the recent govt. measures, The Nation has seen a 70% drop in insurgency incidents & 80% drop in civilian deaths. It is now only confined to Manipur state with hopes of complete extermination from India.
