"CAA-2019 is a milestone for those who had been victims of Partition" Comment. (150w)

A. 1

Citizenship Amendment Act 2019 has fast-track citizenship for religious minorities from Afghanistan, Bangladesh and Pakistan.

↳ According to this act it aims at granting citizenship to victims who are treated as persecuted minorities.

↳ After Independence, India conceded that the minorities in its neighbourhood are its responsibility.

↳ This Act will come as a big boon to all those people who have been the victims of partition and forceful conversions.

↳ India has a civilization duty to protect those who are prosecuted and the

government has assured to pro that their linguistic, cultural and social identity would be preserved.

↳ This act provides certain relaxations to the victims at it reduced the mandatory requirement of 12 years to stay in India.

↳ The government has clarified that Pakistan, Afghanistan and Bangladesh are Islamic republics where Muslims are in majority hence they could not be treated as persecuted minorities

Thus, CAA-2019 is a milestone for those who have been victims of Partition as right to equality is applicable to both the citizens and foreigners.
