Q. Discuss the role of ethics in public administration [150W]

Ans → The term ethics is derived from a greek word "ethos" which means character. Ethics basically refers to the moral philosophy that enables a person to distinguish between right and wrong.
The role of ethics in public administration is described as follows :-

① Transparency -

It is important for the administrator to ensure the transparency, the public should be aware.

② Accountability -

It is important that the administrator must be answerable & responsible for the assigned task.

③ Honesty -

It refers to truthfulness. For better functioning honesty is essential.

④ Integrity -

consistent presentation of honesty is referred to as integrity.

⑤ Impartial -

The public servant must be unbiased to the
