Q. 2

Discuss the role of ethics in public Administration. (150w)

Ans 1

Ethics is derived from the word 'Ethos' meaning character. It guides us in deciding what is right and what is wrong.

ROLE OF ETHICS IN PUBLIC ADMINISTRATION

1) Selflessness - A public servant should always put 'service before self' ✓

2) Honesty - Work should be done full honesty. ✓

3) Integrity - One should be honest in a long run towards the work. ✓

4) Transparency - One should be doing work such a way that it is always in public domain, nothing should be secret. ✓

5) Accountability - One should take full responsibility of the given work and always be answerable to the public. ✓

Established since:1990

6) 'Niskam Karm Yog' - One should do the work without expecting the fruits from it.

7) 'Service in time' - Service should be done within a period of time.

8) Corruption & Red Tappism - Avoidance of such elements should be there for working ethically.

9) Empathy towards public - One should have the feeling of pain for problem public is facing specially weaker section of the society.

10) Compassion towards public - One should have compassion i.e. he/she should take action for welfare of public.

Above mentioned ethics helps a public administrator to work ethically for public and being truthful to the people.

"PUBLIC ADMINISTRATION" - A person who works for public is called a public administrator. Therefore, he/she should put public first priority.
