Q.

What are the main challenges of Internal Security? What are the steps taken by govt. to maintain internal security.

A →

Internal security is a process of maintaining peace within the boundary of country by following law & order and maintaining sovereignty.

In India there are following main challenges of internal security :-

1.

left wing Extremists North East India faces problems like insurgency via ~~the~~ ~~the~~ following the ideologies of Maoist (China)

2.

Terrorism :- Terrorist activities are mostly done between India & Pakistan Kashmir border.

3.

Cyber attack :- Due to digitalisation there has been a constant risk to cyber security attack.

4.

Drugs : The two way illegal trade supply of drugs between 'Golden Crescent'

and border triangle not only affecting india's border but also internal security

3 Communalism :- India being multiethnic country, it is easy to spread communal riots.

6 Human Trafficking :- It is observed that there has a human trafficking of women & children via bangladesh & Nepal.

7 other challenges like - fake currency infiltration etc.

Government has taken various steps to maintain internal security :- like :-

1. Establishing of strong organisations like some of them :-

- National Investigation Agency (NIA)
- National Intelligence Grid (NATGRID)
- Research & Analysis Wing (RAW)
- Narcotics Department - to check eye on drugs
- ~~Indian~~ <sup>Crime</sup> Central Investigation Department (CID)
- Central Bureau of Investigation (CBI)
- Intelligence Bureau.

2. Creating awareness among people and developing the feeling of secularism & Nationalism.

3. ~~Creating~~ Establishing strong <sup>seperate</sup> cyber security system department.
