Ques - What is insurgency? What are the linkages between insurgency and development?
Explain the measures taken by the government to check insurgency in India?

Ans - Insurgency refers to the rebellion by the specific communities against the recognised government. It includes aggressive actions and armed rebellion against the government. It is a form of terrorism within the country itself. Examples include naxalism, Maoist etc.

* Linkage between insurgency and development - It, can also be observed such as:

1. Insurgency represents the rebellions - historical rebellions that didn't reach out as organised revolutions and in this way they sometimes alter the regional development as well.
2. The groups possess resistance to change that causes a problem for the government to negotiate and work for change that will lead to development.

(3) Insurgency is quirella in character and it somehow affets the steps for development.

* Measurements taken by the government to check insurgency in India :

Government has done an exeptional work and has come up with certain important schemes , such as :

- (a) Fortified Police Stations .
 - (b) Schemes for Special Infrastructure.
 - (c) Deployment of central armed Police forces.
 - (d) CoBRA Battalion.
 - (e) Security related expenditure scheme.
 - (f) New division under home ministry for LWE.
- Thus, insurgency is a very important issue that has to be addressed in the country as it poses rebel against the government itself but by regulating the schemes proposed by the government , we can tackle the groups and improve the situation. Since , it is the left wing extremism is the biggest threat to internal security , it needs to be eliminated.
