

Q Distinguish between Laws & Rules. Discuss the role of ethics in formulating them.

Answer The basic difference between Laws & Rules are as follows :-

- ① Ethics form the basis of law & order.
- ② Law & order might not be ethical sometimes.
 - eg → Abortion is law but unethical.
 - child Marriage is against law but may be ethical.

* The Role of ethics in formulating Law & Rules are: -

① Our ethics (Moral Values) helps us in non violation of Law & Rules.

② Conscience helps us know in cases of wrong doings & guides us to follow Law & Rules.

★ Law & Rules can be changed over time but this remain unchanged.
Ex: with!
